

COMFORT[®] time

NEW
PRODUCT

www.comfort-time.com

Our company started the production with business name of Comfort Time Ind. Trade. Ltd. Co. in 1996 and expanded existing plastic household goods concept with the brands of “**Comfort Time**” (plastic garden furniture and stadium seats) “**Beta Life**” (Tight packaging boxes) in very short time and became one of the leading companies in the sector in our country.

Aesthetic, high-quality and comfortable, stable and ergonomic product ranges we create as a result of works of R&D department employees being professional considering the expectations of the consumers changing in national and international market continuously are manufactured with our experienced personnel at our modern

facilities with the cutting-edge technology, computer-based machine, equipment and molds.

We offer our products produced with high-technology standards to consumers at prestigious fairs organized in our country and many developed countries of the world and so we are developing domestic and foreign market fast.

Our aim is to follow and implement all innovations in the world and carry on offering you, our valuable customers “**the best product with the most proper opportunities**” by optimizing our production.
